# 1955-56 SNITCHER

MARGARET and SENN

Senn D. Slemmons, for 29 years a teacher, coach, and friend to thousands of N-I students, will long be remembered as a focal point of college life. It is Senn whom old grads ask about first when they come back for Homecoming or when they meet a fellow grad far from Ellendale. It is Senn they remember best in the class room, on the athletic field, or at social events. Senn retired from teaching in 1955 to accept the position of manager of the Chamber of Commerce at Muleshoe, Texas. In fondest memories of his personal friendship and helpfulness, and in appreciation for his invaluable contributions to our college for more than a quarter-century, we dedicate this yearbook to him.
